

Lights::setTimerOnOff

```
graph LR; A[Lights_Web::websiteEvent_Button] --> B[Lights::setTimerOnOff];
```

A diagram showing a call from `Lights_Web::websiteEvent_Button` to `Lights::setTimerOnOff`. The call is represented by a blue arrow pointing from the right box to the left box. The left box is shaded gray, and the right box is white.

Lights_Web::websiteEvent
